Sir:

The references listed in the attached form PTO-1449 are cited pursuant to Rule 37 C.F.R. 1.56 to meet the duty to disclose to the Patent Office all information known to the inventor, attorney or any other person who is substantively involved in the preparation or prosecution of the application or who is associated with the inventor, with the assignee or with anyone to whom there is an obligation to assign the application.

The information may include:

1. Prior art cited in search reports of a foreign patent office in a counterpart application; and
2. The closest information over which individuals associated with the filing or prosecution of the patent application believe any pending claim patentably defines.

A copy of each cited U. S. reference is not enclosed pursuant to United States Patent and Trademark Office OG Notices: 05 August 2003, which waives the

requirement to submit a copy of each cited U. S. Patent and U. S. Patent Application Publication for all U. S. National Patent Applications filed after June 30, 2003.

A copy of a European Search Report from the corresponding European application, dated April 14, 2005, is enclosed.

These references constitute all the information of which the individuals pursuant to 37 C.F.R. § 1.56(c) are currently aware.

Respectfully submitted,

YOUNG & BASILE, P.C.
